

Wisconsin BUILDER

BUILT TO BUILD YOUR BUSINESS

Reach top-level construction executives with our monthly magazine, Wisconsin Builder!

Each month, Wisconsin Builder offers an in-depth cover story on the most current and important issues facing the industry. It also features articles on top projects and people from across the state. In addition, we publish our annual Top Projects and Newsmaker of the Year issues that highlight the best of the best from Wisconsin's construction industry.

And don't miss our monthly A-List feature, which ranks top industry firms in a variety of categories from plumbing to architecture to general contractors. Each list includes an article about the rankings, and also includes interesting stats and opinions from industry leaders.

- January Roofing
- February Painting and Drywalling
- March Landscapers
- April Women Owned Businesses
- May Mechanical and Plumbing
Top Projects

Every year Wisconsin Builder magazine honors commercial construction's best with its Top Project issue and event. The May edition will recognize architects, builders, engineers and project owners for jobs that benefit the community, overcame challenges and advanced the construction industry. Top Projects recognition dinner will be held in April.

- June Insurance & Bonding
- July Minority-Owned Businesses
- August Electricians
- September Certified Public Accountants
- October Architects
- November Engineers
Newsmakers of the Year

From the architect to the project manager, newsmakers come from all walks of the construction industry. Wisconsin Builder magazine will again recognize these people and firms with its annual Newsmakers edition in November. The Newsmakers of the Year recognition dinner will be held in October.

- December General Contractors
