About She Builds Wisconsin

The She Builds Wisconsin Construction Camp is designed for middle-school aged girls to attend a free, multi-day camp dedicated to the exploration of the construction trades, architecture, and engineering through hands-on experiences and field trips.

What to Expect at Construction Camp

- Learn about construction careers through hands-on activities & projects.
- Connect with women who work in the construction industry in your area.
- Take field trips to tour building sites & local construction businesses.
- All campers are provided with safety gear & camp t-shirts.
- Lunch & snacks are provided to campers each day.
- Make fun-filled memories with new friends!
